INSTRUCTIONS FOR INVESTORS – MUST READ BEFORE INVESTMENT

A. REC's Advice to Investor

- 1) REC advises all the investors to apply in **demat mode due to the below mentioned advantages**. If an investor does not have a demat account, REC recommends that they may open a demat account, which can be opened very quickly at zero/low cost. Only in cases where an investor cannot open a demat account than they may apply for the Bonds in physical mode.

The advantages of opening a demat account are as follows:

- Faster credit in demat account (10 days after allotment) as compared to physical dispatch of Bond Certificate (45 days after allotment).
- All changes can be done from a single place itself i.e. bank account, nominee, email, mobile no, address etc.
- No chances of loss/theft of Bond Certificate.
- REC Fetches the data for interest/redemption payment from Depository Participant, therefore accuracy increases manifold.

While applying in demat mode, please double check the details like DP-ID-Client ID, First Holder/Second Holder/Third Holder with Client Master list (CML). Payment will be made in favour of sole/ first holder. In case there is mismatch in the details provided in the application and CML than the investor shall be allotted Bonds in physical mode.
